

# CureRite<sup>®</sup> TBzD

Technical Data Sheet

## Description

Tetrabenzylthiuram disulfide

Molecular Weight:

## Product Specification

- Heat Loss, % (85°, 1.5 hours)
- Melting Point, °C
- Ash, %
- Assay, %
- Color

## Specification

2.5 Maximum  
130-135°C  
0.5 Maximum  
95% Minimum  
White to Cream

## Test Method

T-138  
T-139  
T-137  
HPLC

## Form

- Powder

## Packaging

- Bag, 55 lbs.

## Characteristics

- Low to no nitrosamine; not carcinogenic
- Longer scorch times

## Application

- Fast curing primary or secondary accelerator in NR, SBR, NBR
